

TASKalfa 6053ci / 6003i Series

Up to 60 / 55 Pages per minute

1200 x 1200 dpi Image Quality

Professional Finishing Options

Power, versatility and seamless integration.

The can-do attitude your teams are counting on.

Keeping up with the pace of your business can be challenging, which is why the TASKalfa 6053ci / 6003i Series multifunction printers were designed to keep you a step ahead. From brilliant, vivid color and 1200 dpi image quality to fast and efficient black and white prints and copies, these systems put you in position to succeed all day long. Stay connected to the people, apps, and tools you rely on to put knowledge to work for your business.

Explore what these systems deliver, from the 10.1" Touch Screen Display to vibrant color output, expanded finishing options, and enhanced security capabilities. Build just the right solution for the daily demands of your office. With reliable performance and reduced maintenance needs, your team can stay focused on the the task at hand knowing their TASKalfa system is always ready to deliver the results they are counting on.

High productivity.

The TASKalfa 6053ci and TASKalfa 6003i Series help your staff stay ahead of deadlines with print speeds up to 55 ppm in color and up to 60 ppm in black & white. Choose from a range of finishing options, including a 100-sheet Staple Finisher, to give documents a professional, polished look.

Reliable media handling.

Print on sheets up to 12" x 18" and substrates up to 300 gsm to produce more jobs on a single device. Increase media capacity from the standard 1,150 sheets up to a maximum 7,150 sheets to keep projects moving with less time spent filling media trays.

Improved scanning.

Capture images faster with the high-speed, multi-feed detection DSDP option capable of scanning up to 220 impressions per minute. Keep information moving at the speed of business in your organization with multiple ways to distribute documents.

Enhanced security.

The Standard Data Security Kit provides more ways to ensure important documents and data are protected, in addition to the Embedded Trusted Platform Module, Secure Boot and Run-time Integrity Check. Rely on standard user security tools to keep information and access under control.

New ways to conquer the workday.

A larger display that works the way you do.

Make navigating your workflows easy with a bright 10.1" Touch Screen Display, standard on all models. Fewer hard keys and an intuitive, modern swipe-based interface provides users with a friendly, tablet-like experience. Access the HyPAS Business Applications you depend on to succeed with a simple touch. An optional numeric keypad is also available.

Exceptional color output on every project.

Why settle for ordinary? The TASKalfa 6053ci Series delivers superior color and image quality, with smooth gradations, vivid color reproduction for life-like skin tones and outstanding contrast. No matter the document, you can rely on fast, affordable color that exceeds expectations and puts your best foot forward.

Skip the snooze button and get right to work.

Take back precious time in your day. The motion sensor on the TASKalfa 6053ci / 6003i Series detects an approaching user and automatically wakes the machine, so it's always ready when you are.

Power through scanning and copying tasks.

An available 270-Sheet DSDP with multi-feed detection helps you quickly capture information, store records and more. Scan duplex pages at up to a remarkable 220 impressions per minute. Turn scanned documents into searchable PDFs with optional OCR, and take advantage of familiar Scan-to functions including email, folders, FTP and USB drives.

End with a big finish.

The 100-sheet Staple Finisher adds polish to printed documents while saving your team valuable time. With the capacity to stack up to 4,000 sheets, there's no need to rush to unload after sending your job to print. Optional Booklet and Tri-fold finishing further expand the range of deliverables you can quickly and affordably produce in-house.

Challenging color workflows? Not anymore.

For users who rely on complex, color-intensive output, choose the optional EFI® Fiery® Print System 15 for the TASKalfa 6053ci Series* to drive even greater productivity and produce consistent results. Featuring integrated tools to help users of all levels achieve precise, high-quality color, the system offers a powerful controller to streamline job processes and make the creation of high-value deliverables, including booklets, easier to manage.

*EFI Fiery Print System 15 is not available on the TASKalfa 2553ci

Stapler Option
 SH-10 for DF-7100 / DF-7120 / BF-730 / BF-9100
 SH-12 for DF-7110
 SH-14 for DF-7130

Hole Punch Option
 PH-7100 for DF-7100
 PH-7A for DF-7120 / DF-7110 / DF-7130

Only available for the TASKalfa 6053ci & TASKalfa 6003i Series

¹ The DP-7120 is only available for the TASKalfa 3253ci & TASKalfa 2553ci

² The AK-7110 is required when attaching any external Finisher and is not backward compatible

³ The JS-7100 is pre-installed on the TASKalfa 2553ci

⁴ The DF-7130 is not available for the TASKalfa 3253ci & TASKalfa 2553ci

Keep everyone on the same page.

Support mobile employees

Support mobile employees by putting print, scan and send features at their fingertips with KYOCERA Mobile Print, Apple AirPrint®, Google Cloud Print™ and Mopria®. Standard Near Field Communication (NFC) for Android™ and Wi-Fi Direct provides added smart device convenience.

Simplify IT management

Simplify IT management with KYOCERA's Command Center RX, a standard web-based interface that enables remote printing, file sharing, device monitoring, settings updates and address book entry, right from your desktop.

Print and share frequently used files

Print and share frequently used files with Document Box, a secure area on the hard drive where documents are conveniently stored and easily retrieved.

Reduce costs

Reduce costs with Proof Copy Mode. Print and approve a sample copy before duplicating large documents to prevent waste.

Remote monitoring redefined.

Optimize device uptime and reduce costs with KYOCERA Fleet Services (KFS), a highly-secure cloud-based monitoring solution that offers real-time visibility into:

- **Device Status:** Take a proactive approach to error resolution to ensure that your fleet operates at peak performance.
- **Counter Activity:** Eliminate administrative burden with automatic meter reading, for accurate and timely billing.
- **Supply Levels:** View consumable levels to prevent unnecessary workflow interruptions.
- **Usage Trends:** Identify print, copy, scan and error code trends to make more informed decisions (fleet right-sizing), and further optimize workflow.

Keep work safe and secure.

The TASKalfa 6053ci / 6003i Series offers standard security features built into the device software, as well as optional enhancements to help keep sensitive documents from falling into the wrong hands. Work confidently with:

- Standard Data Security Kit (E) for overwrite and encryption, to help safeguard mission-critical workflows.
- Standard Embedded TPM
- Standard Secure Boot
- Standard Run-Time Integrity Check
- Added "Power Users"
- PDF Encryption to restrict access for displaying and printing PDFs by assigning a secure password.
- Private Print function with password protection and User Authentication.

There's an app for that.

Kyocera's robust portfolio of customizable business applications lets your team accomplish even more, further boosting productivity. Leverage information how, when and where you need it.

Take advantage of KYOCERA Net Manager, a server-based web application, to efficiently provide secure printing and copying and enable easy accounting of print-related expenses. The Print&Follow function allows users to securely print to any printer managed by KYOCERA Net Manager.

Kyocera Business Apps are powered by HyPAS™ (Hybrid Platform for Advanced Solutions), a Kyocera-developed software platform that expands your MFP's core capabilities with simple touch-screen operations that address your unique workflow needs. From mobile and cloud to cost control and security solutions, these business applications seamlessly and securely integrate with Kyocera MFPs.

Print smarter for the planet.

The TASKalfa 6053ci / 6003i Series helps your business maintain a tidy environmental footprint by reducing waste and eliminating unnecessary energy consumption.

- Exclusive long-life technology and consumables.
- Programmable Energy Saver function helps you control costs, and Low Typical Electricity Consumption (TEC) values support your goals for energy conservation.
- ENERGY STAR® compliant, with Low Power Mode and Sleep Mode settings.
- Environmentally-friendly Waste Toner Bottle design.

Match the needs of your team and your workflow with the right device. For detailed information regarding the performance of the individual models listed below, please refer to the TASKalfa 6053ci / 6003i Series Specifications Guide.

Specifications
